ATLANTA, Ga., Nov. 5.—(P)—J. E. Fox, publicity agent of the Ku Klux Klan late today shot and killed W. S. Gibson.

shot and killed W. S. Coburn, Atanta attorney and counsel for the faction fighting Imper Wizard H. W. Evans and other officials of the order. Fox held without bonds under charge of murder.

Coburn, a former official of the klan and later legal representative of what is called the insurgent faction, was shot five times as he sat in his office. He toppled over dead.

Mrs. W. A. Holbrook, stenographer for Coburn, said the Fox came in while Coburn was talking to a client and began firing when he was told to come back in about an hour. She said five shots were fired. The

A THOUGHT

That ye may walk honestly toward them that are without, and that ye may have lack of nothing.—1 Thess. 4:12.
Wants awaken intellect. To gratify them discipline intellect. The keener the want the lustier the growth.—Wendell Phillips.

In the election today vote to continue Oaklawn Sanitarium. If the present plan of finance is not satisfactory some other program can be worked out.

A vote for J. E. Osborne for county commissioner today means your support for a man who has been faithfully and competently performing the duties of the office.

Decatur is now maturing plans for extension of its sewage system, a thing that this city must do if it really prepares for future growth. This brings the thought that no decisive step has been taken to insure the water system extensions that must be made. Here is a task for some organization or group of citizens now.

Now Danyville is to construct a huge lake as a source of water supply and is to be even larger than that built at Decatur where the Jacksonville plan of finance was followed. Jacksonville really should have had that plan patented or copyrighted for the papers insist on referring to it as the Decatur plan.

At any rate Jacksonville has

reason to be well satisfied with the way the plan worked out, bringing as it did both an ample water supply and a much better co-operative spirit among the people.

CROSSINGS AND CORNERS

The Automobile Club of New York, co-operating with the National Motorists' association, is launching a national campaign for the abolition of dangerous grade crossings. A survey of the legal situation is being made in various states and an organization is being built up to push the work.

Automobilists, the chief victims of grade crossing accidents, naturally take a leading part in this reform. While they are doing it, however, they might well give equal attention to another evil which causes far more automobile accidents than the grade crossing.

This is the sharp corner, made worse often by the presence of a building, billboard, fence or other obstacle at the very apex of the angle, which makes it impossible to see a vehicle approaching around the corner.

Sooner or later sharp corners will have to be rounded and more attention paid to visibility. This could be taken care of easily in the laying out of new thoroughfares, and would seldom be very costly in the case of old ones.

THE TWELVE-MILE LINE

Our British friends, who have found America a pretty good market for liquor, are agreeing to a policy that will severely limit their bootleg operations. The British government has agreed "in principle" to the American proposal of search and seizure within 12 miles of the American shore.

That does not settle the matter, for in this day of British democracy and autonomy the dominions have to be consulted. But the latter, represented at the Imperial Conference sitting in London, are expected to give their consent. In return, there will be certain concessions such as allowing foreign nations to land at our ports with liquor on board under seal.

Thus the famous "three-mile line" is to give place to a 12-mile line, at least as far as the British Empire is concerned. Other maritime countries may be brought to accept the same rule, since Britain has been the chief objector. And this booze-smuggling ships will have to anchor much farther out at sea, where the water is deep and rough, and where American rum-runners will have fourfold difficulty in reaching them and bringing in their illicit cargoes.

This is a good beginning of the new effort to tighten up federal prohibition enforcement.

WHEN YOU GO NEA

Steinmetz is gone from the news—and almost forgotten by the public. Scientists, of course, will remember him and speak his name with reverence long after all the politicians of our generation will be as forgotten as King Tut's undertaker.

Gone from the news, yes. But we cannot forget him editorially. Especially we cannot forget that the intellect of Steinmetz—a far more useful and helpful intellect than that of Socrates—was taken from a three-dimensional world that badly needed it, when Steinmetz was only 58 years old.

Only! You may wonder why we use the "only." Principally because very few men become really "worth while" before they are 60. Intellect—genius—requires aging, like wine.

The career of Steinmetz included 58 years, in which he was reaching toward a goal. He made valuable discoveries, of course, but he never reached his goal.

That is the way of life. Nature seems to be jealous, in a sense. At least, she removes us from the stage when we begin to know too much. We seem to be destined to live in confusion and ignorance of the Real Purpose of Life. Get

too close to the answer, and... well, it's like Steinmetz: sudden and unexpected death.

You read about the theatrical scientists trying to make nonentities live to extremely old age by gland transplanting and so on. The nonentities can pay for it. Did you ever stop to consider what it would mean to make a man like Steinmetz live to be, say, 500 years old?

Nature, of course, will not stand for it. We live in confusion, in bewilderment, and there's no escaping.

SANITARIUM ISSUE ARGUED IN SIGMA PI

Many Local Residents Attend Debate of Public Interest Last Night—Affirmative Wins

A debate of considerable public interest was staged last evening by the members of Sigma Pi society of Illinois College. It concerned the maintenance of the county Tuberculosis Sanitarium, which is to be decided at the poles today. O. Foreman and Shuman upheld the affirmative. The grounds of the winners' argument were that the Sanitarium is necessary to Morgan county, and that it is financially practical. The judges of debate were Professor J. G. Ames, Professor George Page and Dr. F. M. Rule.

The meeting was attended by a large number of persons from the city, including six physicians. A number of members of the college faculty were also present. The interest shown by outsiders in the debate was a matter of great satisfaction to the members of the society, who are desirous of showing the people of the city that residents of the Hill are interested in local affairs.

DAVIS FUNERAL TO BE HELD WEDNESDAY

A message received Monday night by John G. Reynolds from Mrs. George W. Davis brought the information that the remains of Mr. Davis will reach Jacksonville tonight at 9:35 o'clock. The funeral service will be held at the Reynolds Mortuary Wednesday afternoon at 2:30 o'clock. Mrs. Davis missed train connections in Kansas City and the return to the home city was thus delayed.

RETURN FROM EXTENDED AUTO TRIP

Mr. and Mrs. Henry Pinkerton are back in Jacksonville after an extended trip thru the west by auto, and are located at 1211 South Main street. Mrs. Pinkerton having accepted a position with Andre & Andre as auditor of the Andre & Andre stores.

While away Mr. and Mrs. Pinkerton, besides seeing many beautiful western scenes, including those of Yosemite Valley, Painted Forest, Grand Canyon, Cliff Dwellers, met a number of old friends, former residents of Jacksonville, among them being Fred Bray at Medicine Bow, Wyoming, where he is cashier and director of the only bank in the city, which is experiencing an all boom at the present time. Rev. G. W. Miller, a former Minister of Grace church, now located at Oklahoma. Not the least of their pleasure of the trip was the visit with their son Russell, who is an instructor at a military academy in Los Angeles.

ATHENS COURT ELECTS OFFICERS

Athens Court of Honor held its regular meeting last night and after the business session the installing officer Henry Lindeman installed the following officers:

Chancellor—Jacob Roderick.
Vice-Chancellor—George Brown.
Past Chancellor—Henry Lindeman.
Chaplain—Lottie Dober.
Guard—F. C. Galley.
Conductor—Mary Baracker.
Recorder—E. E. Hatfield.
Sentinel—H. Dober.
After the installation the new officers and members, enjoyed a delightful oyster supper.

FORMER WINCHESTER RESIDENTS ARE DEAD

Dr. J. P. Campbell Passed Away in Ft. Garland, Colo.—Franz Biernbrauer Dies at St. Louis, Mo.—Other Winchester News

Winchester, Nov. 5.—News was received here Monday of the death of two prominent former Winchester citizens. Dr. J. P. Campbell of Ft. Garland, Colo., passed away at his home there Sunday. He was for many years a druggist in Winchester and also one of the leading physicians of Scott county. While resident here he was a member and trustee of the Presbyterian church and affiliated with the Odd Fellows lodge.

The remains are expected to arrive Tuesday night and the funeral will be held at 2:30 o'clock Wednesday afternoon from the Presbyterian church, in charge of Rev. O. W. Lough, assisted by Elder George W. Murray. A further notice of the death will be given later.

John Coats received a message Monday telling of the death of his son-in-law, Franz Biernbrauer, at the family home in St. Louis. The deceased was a merchant tailor in Winchester for a good many years and was well known here. The remains are expected tomorrow and the funeral will probably be held Thursday. The deceased is survived by his wife and one son, Fred.

News Notes
A splendid musical program was given Sunday night in the Presbyterian church by W. M. Gish, Albert Buckley, George Cowhick Jr., Harold Stehman, Sam Cohagan, Harry Glossup, assisted by members of the choir.

The music was under the direction of Mrs. W. H. Kinson and the accompanists were Mrs. Kinson and Mrs. M. A. Henderson. The program was followed by a short sermon by the pastor, Rev. Mr. Lough.

Robert Woodall and family of Winchester and James Davis and family of Oxtell left Monday morning for Florida, where they expect to spend the winter. They will drive thru and expect to camp on the way.

The remains of Mrs. Carl Arnold, who died at her home near Bluffs Saturday, were brought to Winchester Monday accompanied by her husband and little son and later were taken to the former home of the deceased in Minnesota.

Miss Gladys Frank of Springfield spent the week end with her mother at the home of Mrs. William Neat.

Winchester people who attended the football game at Urbana returned home Sunday. Bad roads made the trip home exceedingly difficult.

HAVE BEGUN HARVEST GATHERING CAMPAIGN

The Seventh-day Adventist denomination in North America has begun its annual Harvest Ingathering Campaign in behalf of foreign missions, and members of the local church are co-operating in a most enthusiastic manner toward raising their quota of the goal which has been set at \$750,000. Members of the denomination in other parts of the world have set their goal at \$500,000 or a total for 1923 of \$1,250,000 for the entire organization. The local church is aiding the work.

The Harvest Ingathering effort of the denomination has become a strong factor in carrying forward a great program to evangelize the whole world in this generation, according to J. Adams Stevens, Secretary of the Home Mission Department of the General Conference, who has been in communication with the local church concerning the raising of their share of the fund through systematic efforts.

Not only are the English speaking people in North America being asked to assist in this gospel work, but special Harvest Ingathering Campaign literature has been printed in 2 foreign languages as well, and the people of these languages will be asked to help in this work.

Those who are soliciting for the denomination have been supplied with official credentials, which they are instructed to present in order to show that they are properly authorized to ask for funds.

Mr. Stevens says this money gathered in this campaign will be for the uplift of humanity in less favored parts of the world such as China, India, Korea, Africa, various countries of South America, and the islands of the sea.

GOING TO LYNNVILLE

Harry Hofmann, Fletcher Hopper, A. J. Wehl, William Franz, Louis Piepenbrink and T. M. Tomlinson will attend the duck dinner given at the Lynnville M. E. church this afternoon and evening. This is an annual affair at the Lynnville church and English plum pudding will be served in addition to duck and all the trimmings.

AT THE GRAND

A dramatized cartoon with musical accompaniment was presented at the Grand last night with a large audience present. "Barney Google and Spark Plug" was the name of this production. Billy Debeck originated Barney Google and Spark Plug, a cartoon with a national following. The presentation here was by the Cartoon Amusement Co., and the quickly changing program proved very enjoyable.

PAY HONOR TO MEMORY OF S. N. GRISWOLD

White Hall, Nov. 6.—Lessons from the life of the late Seth N. Griswold are coming in with such wholesome comments that it has become a matter of news to set forth some of them. Mr. and Mrs. Griswold both did a work for White Hall that will live as long as a civilized community exists. E. M. Mosier of Wrights, station agent for the Burlington railroad, writing on what has been and is being done for White Hall by public spirited citizens, says: "Every town and city needs men who will take upon themselves work in unique and original ways for the benefit of others, and these make the communities what they are. Take away the boosters and the men who are wide-awake to the best interests of the community in general and you have a place that is not going forward."

The recommendation that thought be devoted to a large public park for White Hall comes from Hon. H. P. Lowenstein of Kansas City. In a communication to the correspondent he says: "I am indeed sorry to hear of the death of Seth N. Griswold, who has been such a benefactor to the city of White Hall. It is particularly unfortunate that he should not have been spared to participate in the ceremonies at the acceptance of his magnificent gift to the city. He will be remembered by the community for all time to come, which in itself is a great reward for his generosity."

"It is too bad that there are not more public-spirited people like him in community leaders. We have had one such in Kansas City who towers above them all, namely Thomas H. Swope, who, like Mr. Griswold in his lifetime, gave this city a magnificent park of nearly 1,400 acres, and whose remains rest in the park. I have for many years felt that there should be some way of securing a large public park for White Hall, and I believe that some public-spirited citizen will come forward sooner or later and donate the ground for such purpose. "I am pleased to note the article showing the enterprise of White Hall, and it was generous of you to quote from my recent letter. There is nothing that goes for the benefit of White Hall that doesn't enliven my spirit, as I shall always remember my association with the people of my old home town. The happiest days of my life were in my youth in old Greene county."

On the heels of these statements come humors of community benefactions from sources that will give the greatest satisfaction because of their probable nature.

Work will begin this week on a memorial arch at the northeast corner of Whiteside park under the direction of William Tanner, who has charge of the library construction. Funds for the construction of this archway were provided some years ago by Mr. and Mrs. Griswold, and the brick for it arrived two weeks ago, being shipped in barrels. This brick order was the last act of Mr. Griswold in connection with his philanthropic enterprises.

MME. COLARD HEARD IN FORMAL RECITAL

Large Audience Hears Second Recital by Well Known Member of College of Music Faculty

Mme. Elina Toft-Colard presented her second formal recital in Music Hall yesterday evening, singing for a large and enthusiastic audience. The year that Mme. Colard has spent in Jacksonville has been so fruitful in wide acquaintanceship and sincere friendships that her personal and professional friends, now counted by the score, were present to do her honor and to take away with them the memories of her masterful interpretations.

The program was catholic and exacting. The Verdi "Aria" and the Schubert "Erl King" so difficult in character, proved conclusively how widely a singer's voice may be cultivated both in range and in interpretive power. The aria full of rhythm and coloratura work, was enthusiastically received and beautifully sung.

The second group was interesting in itself, but the added personal touch, heightened the interest, for Grieg who wrote the first two songs, of the group, was a warm personal friend of Mme. Colard. The last two songs were from the pen of Mme. Colard's husband and are dedicated to her. The Schubert songs, so beautifully interpreted, gave the singer wonderful scope and showed to a marked degree her ability to live the song she presents. The Erl King was especially climatic; the song itself is a drama in miniature and the characters of the father, the Erl King and the pleading boy really lived to the audience, so graphically were they set forth. "The Rose, the Lily" by Schumann, given in this group, was repeated. "The Test of the Heart" was also added at the close of the final group.

Miss Sapio whose splendid accompaniments have so often been the subject of praise, served as accompanist for Mme. Colard. She has never played as well in this capacity since coming to the college as she did on this occasion. Her work is a great delight to the audience and is surely a comfort to the artists whom she serves.

LOCAL POST OFFICE BADLY NEEDS SPACE

Increase in Business Brings Congestion—Appeal to Congressman Rainey Brings His Earnest Support.

Increase in the postal receipts the result of general industrial conditions and the rapid growth of the parcel post business has caused almost every post office building in the United States to become crowded and short of the floor space necessary for the proper handling of the mails. The Jacksonville office receipts this year will show an increase of from 16 to 18 percent over those of a year ago.

The local situation is not different from that of other offices the country over, except that the Jacksonville office building may be a bit worse than most other offices in the lack of floor space.

Realizing the seriousness of the situation and knowing it to be growing worse instead of

better on account of the constant increase in the amount of business done here, Postmaster W. A. Fay took up the matter of possible relief several months ago with the Treasury Department at Washington and Congressman Henry T. Rainey.

Treasury Department inspectors who came to Jacksonville inspected the building, deplored the lack of work-room space, recommended relief in an extension of the building but admitted that nothing could be done until a Congressional appropriation was passed to take care of the expenditure.

Congressman Rainey when appealed to assured the local authorities that he will make every effort to get provision for Jacksonville in any relief bill which may be passed at the coming session of Congress. In a recent letter to Postmaster Fay assuring him of his desire to aid in the passage of the necessary legislation, Mr. Rainey enclosed letters which he had received from the Hon. John H. Bartlett, First Assistant Postmaster General and Hon. McKenzie Moss, Assistant Secretary of the Treasury.

These letters show the status of the local situation from Washington, Oct. 23, 1922. Hon. Henry T. Rainey, House of Representatives, U. S. My dear Congressman: Receipt is acknowledged of your letter of Oct. 14th asking if it is not possible, in some way, to relieve the congestion in the

post office building at Jacksonville, Illinois.

This building is one of a large number of post offices throughout the country where the service is seriously handicapped by lack of space. This Department furnished to the 67th Congress at its last session a list composed of 140 of these offices, together with an estimate of the cost of providing adequate relief, and the building at Jacksonville was included, the estimated cost of an adequate extension being placed at \$75,000.

While it is possible to adopt some expedient by which temporary relief could be provided, the very limited sum placed at our disposal by Congress for this purpose has been already allotted. Moreover the Post Office Department has requested that none of this money be expended on the buildings in the list above referred to until Congress has had an opportunity to act thereon.

Very truly yours,
McKenzie Moss
Assistant Secretary

Post Office Department
Washington, Oct. 20, 1922.
Hon. Henry T. Rainey,
House of Representatives,

My Dear Mr. Rainey: The Postmaster General has referred to me your letter of the 15th instant, relative to the congestion existing in the Federal building at Jacksonville, Illinois.

The Department is aware of the fact that the work room of this office is congested, as data on file indicate that the unit rate in the work room is only about 44 square feet per employee, whereas not less than 100 square feet of floor space should be available for each employee and the equipment assigned to his use. In a joint letter dated December 30, 1922, signed by the Secretary of the Treasury and the Postmaster General recommendation was made by Congress that the Jacksonville office building be extended at an estimated cost of \$75,000. A copy of House document 523 which contains the letter in question is enclosed for your information.

It will, of course, be impossible for either this Department or the Treasury Department, which has direct supervision over Government-owned buildings, to take any further action looking to the enlargement of the Federal building at Jacksonville until the necessary legislation is enacted.

Sincerely yours,
John H. Bartlett
First Assistant Postmaster General.

Patrons of the Jacksonville Post Office may rest assured that Congressman Rainey will make every effort to secure the passage of the appropriation for the use of the local building at the coming session of Congress.

PUBLIC EDUCATION WEEK BOOSTED HERE

Expect to Observe Week in City Schools by Students in Patriotism—May Hold Joint P. T. A. Meeting

A suggestion has been made for the observance of Public Education week in this city, Supt. B. F. Shafer is pushing the movement and has the co-operation of the board of education. The week beginning Nov. 19 has been set aside for this purpose by the American Legion, which has been promoting this movement for some time past.

Monday of that week has been designated as Constitution Day. Supt. Shafer has sent for a number of copies of the constitution, with notes and comments especially prepared, which will be distributed among the teachers and to guide studies of the nation's chief document of law on the day assigned.

Tuesday is Patriotism Day, and special studies of the flag and its history are being arranged. Other questions that may be discussed on this day relate to the active interest which all should take in governmental affairs, and the influence of music on a nation.

Wednesday is set aside for the study of the influence of the public schools. It is hoped to plan a joint meeting of the Parent-Teacher associations of the city for some evening during that week at the high school auditorium. At this time it is planned to present the needs of the city school system, and perhaps to show pictures of our own buildings as compared with more modern ones elsewhere.

According to his method of treatment he does not operate for chronic appendicitis, gall stones, ulcers of stomach, tonsils or adenoids.

He has to his credit wonderful results in diseases of the stomach, liver, bowels, blood, skin, nerves, heart, kidney, bladder, bed wetting, catarrh, weak lungs, rheumatism, sciatica, leg ulcers and rectal ailments.

If you have been ailing for any length of time and do not get any better, do not fail to call, as improper measures rather than disease are very often the cause of your long standing trouble.

Remember above date, that consultation on this trip will be free and that his treatment is different.

Married women must be accompanied by their husbands.

Trained Nurses Praise The Merits of Tanlac

One of the outstanding features in connection with the Tanlac treatment is the large number of professionally trained nurses who have found the medicine of such wonderful merit that they have come out with public statements telling of the remarkable results accomplished by its use. Owing to the wide experience of nurses with various medicines and in the care of the sick, what they have to say about Tanlac will be read with exceptional interest by the public generally.

Mrs. I. A. Borden, 425 Pontius Ave., Seattle, Wash., a graduate of the National Temperance Hospital, Chicago, and for many years a leader in her profession, pays the following tribute to Tanlac:

"From my long experience as a nurse I do not hesitate to say Tanlac is Nature's most perfect remedy. I have used it exclusively for seven years in the treatment of my charity patients. For keeping the stomach, liver, kidneys and bowels functioning properly and for toning up the system in general, Tanlac has no equal."

Mrs. L. A. Lorentzen, graduate of Bellevue Hospital, New York, now a wealthy and influential resident of 285 Faxon Ave., San Francisco, says:

"In all my experience as a nurse, I never found a stomach medicine and tonic that compares with Tanlac. My own health was terrible five years ago and although I spent hundreds of dollars in a vain search for relief from nervousness, indigestion and my generally run-down condition,

it remained for Tanlac to give me back my health, and I have enjoyed splendid health ever since. I can sincerely recommend Tanlac to anyone."

Mrs. Cora Lynch, well-known practical nurse, 2936 Avenue C, Birmingham, Ala., expresses her gratitude to Tanlac in the following words:

"For three or four years I had suffered from a combination of stomach, liver and kidney disorders, could not assimilate my food and was almost constantly suffering from pains in different parts of my body. Tanlac restored my health splendidly. I now keep it in the house and take a little when not feeling right. It never disappoints me."

Miss Mary Earle, 1531 North 20th St., Omaha, Neb., for fifteen years a practical nurse, recently stated:

"I can recommend Tanlac not only because of what it has done for me, but also because of what I have seen it do for others. After a long spell of typhoid my brother was so weak he could barely walk from one chair to another. I gave him Tanlac and it was simply marvelous the way it built him up. Nursing him through that long illness left me weak and exhausted. I could eat but little and my food hurt me. Tanlac restored my strength and health and built me up fifteen pounds in weight. As a nurse and user of Tanlac I give it my unqualified endorsement."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37 million bottles sold.

MEMORIAL TABLET ERECTED FOR COACH

PHILADELPHIA, Nov. 5.—The Varsity club of the University of Pennsylvania has erected at the south gate leading into Franklin Field a memorial tablet in recognition of the services of Michael C. Murphy, track coach and football trainer from 1896 to 1900 and again from 1905 to 1913, when he died.

The tablet records that "Mike" Murphy was a "famous trainer of many victorious teams" and contains one of his oft-quoted sayings:

"You can't lick a team that won't be licked."

The tablet will be dedicated when Cornell plays football here on Thanksgiving day.

ARRESTED AS DRUNK

Alto Britt was arrested Sunday by deputies while riding in a taxicab, on a charge of drunkenness. He was brought before Justice A. B. Opperman Monday morning where he pleaded guilty to the charge and fined \$5 and costs. Britt denied that he owned a revolver found in the car, and no charges were made in this regard.

Mrs. F. B. Madden, who was the guest of friends here after attending the convention of the Woman's Home Missionary society of the M. E. church, returned yesterday to Shelbyville.

THE FEAST OF THE TRIANGLE

One of the most impressive, delightful and successful occasions which the girls of Illinois college will enjoy this year was the Y. W. C. A. banquet, "The Feast of the Triangle," was held in Recital Hall.

The tables were arranged in the form of a triangle and were beautifully decorated in fall flowers and candles. Practically all the girls of the college were present and an unusually delicious banquet was served by the ladies of the State Street Presbyterian church.

After the banquet, Mrs. Andrew K. Rule, toastmistress of the evening, in her charming manner, introduced the speakers of the evening, after first telling how much she had meant and could mean to the lives of so many girls.

Miss Frances Strawn, one of the former students, gave the first toast of the evening and her subject was "In Days of Old." Miss Strawn spoke of the beginning of the Y. W. work in the college and of how remarkably it has grown in recent years.

The next speaker, Janet Brown, using as her subject "The Gleam," told how the girls who followed the gleam of Y. W. were sure to come out right. Lillian Simpson, a Freshman, whose subject was "The Challenge," in speaking of the "big and little sister" plan of the Y. W., told how much it could mean to a new girl and how a homesick Freshman could be made happy by a little attention and kind instruction from one who knows (and cares). Eunice Williamson, the Y. W. president, completed the program with her toast on "We Who Serve." In her unusually impressive speech, she inspired in all the girls a desire to do and give the best in them and to always aspire to do higher things than they have done.

After the program the girls all adjourned to the Recreation Room where the new girls were initiated in the beautiful candle-lighting service. An exceptionally large number of girls were initiated into the association, in fact there are only a few less new members than old ones.

Following the initiation service the evening was spent in a social way, during which the girls had an opportunity to become better acquainted than they had ever been before.

THISSEN STEEL MILLS WILL CLOSE SATURDAY

Muelheim, Germany, Nov. 5.—All the plants of August Thissen, including the steel works at Muelheim and Hamborn will be closed next Saturday in connection with the shutdown applying to all employees were posted at the plants today. August Thissen, who is about eighty years old has been the most unrelenting opponent of cooperation with the French and Belgians and it is understood that his decision to close his plants completely was to avoid being coerced by other industrialists into a working agreement with the French.

His son Fritz Thissen, however, who also controls steel works and mills is participating with the Stinnes group in the negotiations with the French, who were resumed today.

THE SANATORIUM NEED

Morgan County needs the Sanitarium. Ten more deaths occurred in Morgan county in 1922, (57) than in 1921 (47). Every county in the 20th congressional district save one has had an increase in its deaths from tuberculosis; 46 per cent more deaths occurring in the 20th District in 1922 than in 1921.

Because of these facts taken from the Illinois Health News for October, the twenty-third annual meeting of the 20th District Federation of Clubs resolved to urge upon the clubs intensive work to prevent tuberculosis by some system of co-operation among the counties of the district in order to secure scientific care.

The Twentieth Congressional district needs the sanatorium. Prominent business men, physicians, county officers and trustees of the Glackin fund from neighboring counties have so expressed themselves. A District Sanatorium can be formed and fine preventive work done at moderate cost to each county.

There are at least 300 cases in Morgan county. Some need sanatorium care; all need advice and supervision. Your young son or daughter may be the next victim.

Vote against the proposition to discontinue the Sanatorium and help in the fight against the White Plague.

SOCIAL EVENTS

Aid Society

The Passavant Aid Society of the Christian church held its regular meeting yesterday afternoon at the home of Mrs. Walter Schragg, on Grove street. Following the business meeting the greater part of the afternoon was spent in sewing for the hospital.

Gave Party in Country

Mr. and Mrs. John T. Mann of Route 3 were very pleasantly surprised by their many friends Saturday evening, November 3, at their home twelve miles south-east of the city. The evening was spent in playing games and music after which light refreshments were served. The guests at this enjoyable occasion numbered sixty-five.

Birthday Surprise For Aged Woman

About thirty neighbors gathered at the home of Mrs. D. F. Spaulding northwest of the city Saturday evening, in honor of her eightieth birthday. The self-invited guests brought refreshments along with them, including a handsome birthday cake bearing eighty candles, and the evening was very pleasantly spent. Mrs. Spaulding, although quite far advanced in years, is quite well and greatly enjoyed the visit from her friends. All left at a late hour with best wishes for her hostess.

The company included Mr. and Mrs. Henry Wax and family, Mr. and Mrs. Jeffrey Cleary and family, Mr. and Mrs. Charles

Hadden and family, Mr. and Mrs. Cree Smith and family, Mr. and Mrs. Clinton Lloyd and family, Mr. and Mrs. Oscar Branner, Mr. and Mrs. James H. Caldwell and daughter, Miss Leah, Miss Amanda Pfeil, C. A. Rowe.

Gave Tea For Mrs. MacMurray

Dean Austen of Illinois Woman's College, entertained a small group of women, including the members of the faculty and a few outside friends at an informal tea, given at the college yesterday afternoon. The honored guest at the occasion was Mrs. James MacMurray, wife of the President of the board of trustees of Chicago.

Miss Austin was assisted in her entertaining by Misses Neville, Johnston and Teague.

Entertained at Cards

Tuesday night Mrs. Otto Schumm entertained the members of her card party at a delightful party at her home 935 South Main street, when the evening was enjoyed in card playing. A social hour followed during which time the hostess served refreshments.

Opportunity Class Met With Mrs. Gilbert

Mrs. M. E. Gilbert of South Prairie street was hostess Monday night to the Opportunity Class of Grace M. E. church, a live class of about 80 interested women, which has regular monthly social meetings, the first Monday night of each month. After the regular devotional meeting led by Mrs. Amos Swain, the early part of

the evening was spent in the routine of business connected with the activities of the class and its organization, and plans discussed for the year's program. The committee in charge had a number of interesting contests planned which the members thoroughly enjoyed, after which refreshments were served. Mrs. Gilbert was assisted by Mrs. W. D. James and Mrs. J. I. Graham, both in the evening's entertainment plans and the serving of refreshments.

Entertained Friends

L. and L. Rogers entertained recently in a pleasant party at the home of her parents Mr. and Mrs. William H. Rogers, 1116 South East street in honor of her birthday. The afternoon was quickly passed in the playing of games, and delightful refreshments were served to the guests in the latter part of the afternoon. At five o'clock the guests bade their hostess goodbye, wishing her many happy returns of the day. The following guests were present:

Fae Mahoney, Mildred Martin, Catherine and Virginia Bannen, Kathleen Wilkinson, Kenneth Biggs, Virginia Bond, Elizabeth and Junior Jemerson, Robbie Rhodes, Wanda Boenmore, Rosetta Tartt, Mary Elmore, Lillian Barrett, Luella, Lula and Charles Rogers.

Brooklyn Primary Entertained

Miss Una Chappell, superintendent of the Primary Department of Brooklyn church Sunday school assisted by the teachers of the department entertained all the primary children of the Sunday school from three to five o'clock Saturday afternoon in the Sunday school room of the church.

The party was given in honor of Miss Chappell's class who recently won the automobile race, which contest began in September when each of the four classes chose a car in which to make their journey, four cars having been suspended on wires so constructed that they could be moved along as progress was made. So successful was the contest, that Miss Chappell expects to have another auto race to last until Christmas. One of the classes doubled itself in numbers. There were about 25 children present Saturday who enjoyed the decorated room and the games of the afternoon.

The teachers are Opal Chappell, Dorothy Randle, Mrs. Dan Dickinson and Lottie Beasall.

BIRTHS

Born at Our Savior's hospital to Mr. and Mrs. Lewis Gause of 1229 South East street, a daughter.

Born Sunday morning at Our Savior's hospital to Mr. and Mrs. Lloyd M. Seibert of Louisiana, Mo., a son. Mrs. Seibert was formerly Miss Grace Wheeler of this city.

TENT MEN FROM THREE STATES IN CONVENTION

C. B. Massey has gone to Decatur to attend a convention of tent and awning makers. Men interested in this business from Indiana, Kentucky and Illinois will be in attendance and the sessions promise to be much of interest. The national convention met recently in Kansas City and some of the questions considered there will be before the delegates from the three states at this convention, which is to open today and continue thru tomorrow.

SURPRISE PARTY

A surprise party was given last night by Mrs. Mattie Carpenter of Madison street, in honor of her granddaughter, Cordelia Carpenter. It was a very pleasant event.

Those present were Clara Jackson, Hubert Carter, Daniel Charles and Emaline Carter, Vivian Russell, Mrs. Alice Early and daughter Emma, Irene Larson, Mrs. Hazel Carter, Earl Carpenter and Jesse Carter.

FIND STOLEN CAR

Early Sunday morning a Ford car was taken from the private garage of D. T. Heimlich, 602 South East street, and later in the day was found by police abandoned in the 700 block on East College avenue. Willard Johnson, an employee of the Journal, saw someone running the car from the garage as he came to work. He reported it to Merchant Police Sweeney, who notified the city police.

PRACTICAL THEMES AT CONVENTION

Republican Women Had Interesting Sessions at Chicago Meet—Prominent Speakers Took Part in Program and Discussions.

The convention of Republican women held in Chicago was a very interesting gathering. The was the statement of Mrs. A. L. Adams, who attended as a delegate from Morgan county, and who was elected first vice-president of the organization. Nine other vice presidents were chosen, representing different parts of the state.

The address of welcome to the delegates was delivered by Mrs. Joseph T. Bowen, member of the National committee. In the afternoon session of the same day Mrs. Harriet Taylor Upton, who is vice-chairman of the national committee, delivered a notable address on the theme, "The National Republican Women's Situation."

The discussion of the subject, "How to Run for Office," brought out a symposium of addresses. One of the speakers, Miss Helen M. Bennett, has been heard here and she spoke with her accustomed cleverness.

At the banquet Mrs. Fletcher Dobyns presided and the addresses were made by Mrs. Corinne Roosevelt Robinson of New York, and Senator George W. Pepper of Pennsylvania. At the night session Senator William B. McKinley discussed the foreign situation and Senator Medill McCormick the federal child labor bill. Former Governor Lowden was another of the speakers who was heard with particular interest.

Officers named were as follows:

President—Mrs. George R. Dean, Chicago.

First Vice President—Mrs. A. L. Adams, Jacksonville.

Additional Vice Presidents—Mrs. Richard Barr, Joliet; Mrs. H. Eugene Chubbuck, Peoria; Miss Georgia Hopkins, Shelbyville; Miss Jessie Spafford, Rockford; Mrs. George R. Plummer, Chicago; Mrs. G. R. Hunt, Moline; Mrs. R. Maynard Reed, Chicago; Mrs. Silas Strawn, Chicago; Mrs. Fletcher Dobyns, Chicago.

Recording Secretary Mrs. A. R. Williams, Salem.

Corresponding Secretary—Mrs. Henry Fox, Chicago.

Treasurer—Mrs. Olive M. Clement, Chicago.

ENTERTAINED CHOIR

Mrs. Mamie Williams recently entertained the members of the senior choir of Bethel church at her home on Morton avenue. Following the business session a program was given which included the following: Piano solo, Mrs. Louise Kirk; vocal solo, Miss Naomi Johnson; reading, Mrs. L. B. Montgomery; solo, Mrs. Harry Stone.

In a contest prizes were awarded to Fred Wagner and Mrs. Mazie Mallory. The next meeting will be with Miss Naomi Johnson at her home on Morton avenue.

Among the guests of the day were Mrs. Maggie Richardson, Mrs. Mazie Mallory, Mrs. Laura Moore, Fred Wegner, I. F. Parker and G. W. Montgomery.

WITH THE SICK

Mrs. George Creamer is seriously ill at her home, 500 South Fayette street.

Mrs. E. J. Phillips, who is quite ill residing on South East street, was visited Sunday by her three grandsons, William, Harry and Louis Steinkuehler of Springfield. William and Harry were accompanied by their wives.

H. C. Jones, who has long been in service at Jacksonville State hospital, is now confined to his home, 315 North Fayette street. Recently Mr. Jones while on West College avenue was struck by an automobile. His injuries are painful and he will be confined to his bed for a number of days. Local friends of Rev. W. S.

Phillips will regret to learn of his serious illness at his home in Carlinville. However, reports from Mr. Phillips yesterday indicated some improvement.

CHURCH OF GOD IN CHRIST

The revival services will continue until further notice. Elder A. Belanger of Providence, R. I., and Elder Elmer Carter and wife are expected in the city today to continue the services.

Copper Clad Malleable Iron Range

The Worlds Greatest Range

By Factory Representative and Demonstrator

All of This Week, November 5th to 10th, Inclusive

A Story of Beauty and Durability

All Copper Clad Ranges are lined with pure copper, where other Ranges rust out. This great feature is controlled exclusively by the manufacturers of Copper Clad Ranges.

By the use of unbreakable Malleable Iron, all parts of the Copper Clad Range are riveted securely. Therefore effecting airtight joints such as cannot be accomplished in cast iron construction.

A Back Flue made of ordinary sheet steel or sheet iron will rust out—a back flue made of cast iron will crack and break. The Copper Clad Drop Forged Back Flue can neither crack, break nor rust out. The Copper Clad is the only Range in the world having a drop forged back flue.

All nickel plated parts devoid of rivet heads—perfectly smooth—adding beauty and sanitation.

LIBRARIANS FORM CLUB FOR SERVICE

Seek to Promote More Ready Exchange of Books Among Libraries of City.

Recently librarians of the city met and organized a Librarians' Club with the idea of facilitating co-operation between the various libraries of the city. There are now librarians at Illinois College, Illinois Woman's College, the High School, Illinois School for the Deaf, and the local Public Library.

It is the plan to make easier exchange of books among the libraries, so that in many cases a duplication of expensive sets or volumes can be avoided. For example, if the high school library should need certain historical works in the Illinois college library, these could be used at the high school, etc. In this way students and others who are doing special research work are given a large range of reading than that contained in the library to which they have direct access.

URANIA LODGE HAD PEP MEETING LAST NIGHT

An old time pep meeting was held at Urania Lodge No. 243 I. O. O. F. Monday evening. The noble grand appointed a Booster committee consisting of E. E. Henderson, Maurice Peckham and John T. Roberts, and this committee announced that a membership banquet and booster meeting would be held in the near future.

R. L. Dumas and Will J. Roberts were appointed to lead two membership teams and divided the members present by alternate selection. It was agreed that the other members would be added to the teams as now constituted and that when the contest closes, the losing team will furnish the winners with an oyster supper.

Robert March, captain of the degree staff, announced the names of the members of the initiatory staff and expects to have the staff in good shape and to confer the work on a class in the latter part of this month.

Robert Reid a former member of Urania Lodge who has recently moved back to Jacksonville, was present and made a talk for the good of the order. E. E. Henderson, T. M. Tomlinson, W. J. Roberts, R. L. Dumas and a number of others made good talks for the good of the order. After Lodge closed the two teams held their respective meetings and made their plans for the contest.

TWO TEACHERS GIVEN LEAVE OF ABSENCE

Board of Education Grants Requests of Miss Pyatt and Miss Hackman, Because of Ill Health—Will Buy Needed Books—Ku Klux Klan to Use High School Auditorium for Lecture.

Two teachers in the public schools, Miss Ellie K. Pyatt and Miss Elizabeth Hackman, were granted leaves of absence from the system by action of the board of education at its meeting last night. Both are asking leaves of absence on account of ill health. They were granted the requests, to be effective for the remainder of the year. Miss Hackman's position was filled by the appointment of Miss Louise Struck, who recently returned from a trip to the west. Miss Struck is an Illinois college graduate, and has had some teaching experience. Miss Pyatt has taught for a number of years in the Lafayette school, where she has served as a primary teacher.

The board met in regular monthly session, the president, Dr. Carl E. Black in the chair. The members present were Fiedler, Hopper, Muehlhausen, Metcalf, Rogerson, and Mrs. Roberts. The financial report showed a payroll of \$14,732.45 for the month, and general bills amounting to \$2,174.16, all of which were ordered paid and warrants drawn for the amounts. The treasurer reported a balance for last month of \$75.37.

A letter was read from the Jacksonville branch of the Ku Klux Klan requesting the use of the auditorium for Monday evening, Nov. 12, for an educational lecture. The board voted to allow the use of the auditorium, provided the Klan paid the stipulated rate therefor.

Will Buy Books

Dr. Black read a letter from the Public Library board, stating that the sufficient number of books necessary to maintain the school collections for the coming year could not be supplied, as the library had not sufficient funds for that purpose. Practically three fourths of the appropriation made by the board for children's books this year had been used to supply the school collections and still there were not sufficient books to meet the demand.

The board of education voted to meet the emergency by purchasing the books necessary to make up the deficiency, the work of buying and distribution of same to be done by the public library staff, as in previous years.

It was also voted by the board to purchase a collection of music, to be placed in the high school library for the use of the various chorus organizations. The collection is an extensive one and will cost about \$80. The funds for the purpose are provided from the music appropriation. The board also voted to purchase outright the school dispensaries at the high school, which were furnished by St. Louis firm when the building was being erected.

Thursday and Friday, Nov. 22 and 23, are the dates of the annual high school teachers' conference at Champaign, held under the auspices of the state university. The board voted to dismiss the high school for these two days, as two thirds of the high school teachers have signified their desire to attend. This is the one professional meeting of the year exclusively for teachers of this class. The board voted to pay the expenses of the three teachers in Home Economics at a recent meeting in Chicago. Only the railway fare was included in the allowance. These teachers are required certain meetings during the year, in order to keep up to the standards of training required under the Smith-Hughes law. Because they keep them up to this standard, the board of education receives from a fund provided under this law 20 per cent of the teachers' salaries.

CLAIM AGAINST RANSO ESTATE BEING HEARD

The claim of Charles Craue for \$6,500 against the estate of the late Mrs. Julia Ransell came up for hearing yesterday in the county court before Judge O. P. Samuell. The case is being heard by a jury including Charles Godfrey, Charles Seymour, Frank Byrns, Walter Emberton, Fred Hopper and John Ross. A number of witnesses were called yesterday and there are still others to give testimony before the case goes to the jury. The complainant is represented by W. W. Wright, while W. T. Wilson is the attorney for the estate.

According to the claim of Craue, he was in the Ransell home for a period of seven or eight years and during that time assisted in various ways about the premises. So far as known Mrs. Ransell left no will and the only heir to the estate is an aged aunt residing in Idaho.

WHITE HALL POST OFFICE FACTS GIVEN

White Hall, Nov. 5.—Statements of the receipts of post-offices of the first class are of frequent occurrence, and it has given rise to the amount of the receipts of the office of the second class, such as White Hall. The report for October shows that the receipts were \$1,392.33, an excess of \$320.45 over the same month last year and exceeding the previous month of September, 1923, by \$640.80. This is an indication that the White Hall postal receipts are at the highest mark, and this increase will show heaviest during the months of November and December. This is an exceptionally large showing, states Postmaster R. B. Pearce, when it is considered that the arrangement of rural routes in Greene county deprives White Hall from serving a large portion of its right territory. Being only three rural routes out of White Hall. This report does not take into account a large volume of money order business that forms a separate report.

DISTRICT MEETING OF NURSES TOMORROW

A number of Jacksonville nurses are intending to go to Springfield tomorrow to attend the meeting of the 12th District of Illinois State Association of Graduate Nurses to be held at 2:15 at the School Mistress' club on 413 South Sixth street.

The program for this meeting is in charge of the Public Health Section and the two numbers of greatest interest are: A pageant, "Average Town," given by the children from the Stuart school, and an informal talk on "The Nurse in China," by Mrs. Olive Lindsay Wakefield, the wife of a doctor in China and a sister of the poet, Vaschel Lindsay.

Following the program there will be a social hour, during which tea will be served.

COUNCIL TO ATTEND EX-MAYOR'S FUNERAL

Committee Named to Draft Resolutions Relating to Death of Mr. Davis—Miscellaneous Business at Monday Session.

At a meeting of the city council held Monday night Alderman W. T. Harmon was elected mayor protem. A committee was appointed to draft resolutions in memory of the late George W. Davis and arrangements were made for the council to attend the funeral in a body. The committee on resolutions include Aldermen Fairbank, Sorrells and Chumley. The roll call by City Clerk Scott showed present Aldermen McGinnis, Blease, Chapin, Chumley, Sorrells, Fairbank and Harmon.

A petition was read from the state department of public welfare asking that the council detach from the city a few acres which is a part of a tract recently purchased by the state. This matter was referred to a committee for investigation, the council desiring to co-operate with the state authorities in every reasonable way.

City Clerk Scott read an execution notice served by Deputy Sheriff Burley Jones for \$4,000 due George Lipsmire. Later W. N. Hairgrove as attorney explained that this notice was formal and was served to make certain that the amount was included in the next tax levy.

Alderman Sorrells introduced a resolution calling for the collection of delinquent taxes from fire insurance companies. On motion of Alderman Chapin City Attorney Bellatti was instructed to make an effort to collect these taxes.

P. J. White, superintendent of streets, called attention to complaints made about lots on South Church street near the brook, which has been used as a dumping ground. Members of the council agreed to go with Mr. White to inspect the property.

Acting Mayor Harmon for a special committee reported a conference with the park board with reference to dumping materials in the area just north of the dam. It was found that the park board has plans maturing for the beautification of the whole area.

The death of Former Mayor George W. Davis, was called to the attention of the council by Alderman McGinnis, who suggested that a committee be named to draft suitable resolutions.

Acting Mayor Harmon stated that the funeral of Mr. Davis would be held Wednesday afternoon and the council then decided to attend the services in a body.

Reports of Officers.

Reports of officers were presented as follows: The sexton of Diamond Grove cemetery reported 12 graves made and the sexton of Jacksonville cemetery a like number. City Clerk Scott reported collections thru his office of \$452.19; from Jacksonville cemetery \$129.60; from Diamond Grove cemetery \$329.19.

The report of H. C. Clement, city treasurer, showed a balance in the general fund of \$1,291.

The report of W. H. Cobb, superintendent of the water department, showed total collections for the month of \$5,616.35.

The report of Chief of Police Kiloran showed 12 arrests made during the past month. Of this number 3 were for speeding, 1 for drunkenness, 1 for larceny, 1 for embezzlement and 2 for burglary and larceny.

The total number of deaths during the month as shown in the report of the City Health Officer, Dr. R. V. Brokaw was 44 and the number of births 29.

MT. EMORY CHURCH CHOIR HAD MEETING

The regular monthly meeting of the Mt. Emory Baptist church choir was held Monday evening at the home of Mrs. Mazie Mallory on South Main street. Mrs. Moore and Mrs. Mallory were the hostesses. After the business session the following program was carried out: Reading—Miss Anna Wilson. Trombone Solo—Mrs. Booker Johnson.

Vocal Duet—Misses Pearl Newell and Susie Lynch. Vocal Solo, "My Buddie"—Clarence Clark. Critic—Walter Williams.

The guests of the evening were Mr. and Mrs. Walter Williams, Mrs. Emma Williams and Mrs. Clotella Taylor, and each was heard in inspiring remarks. Dainty refreshments were served during the evening.

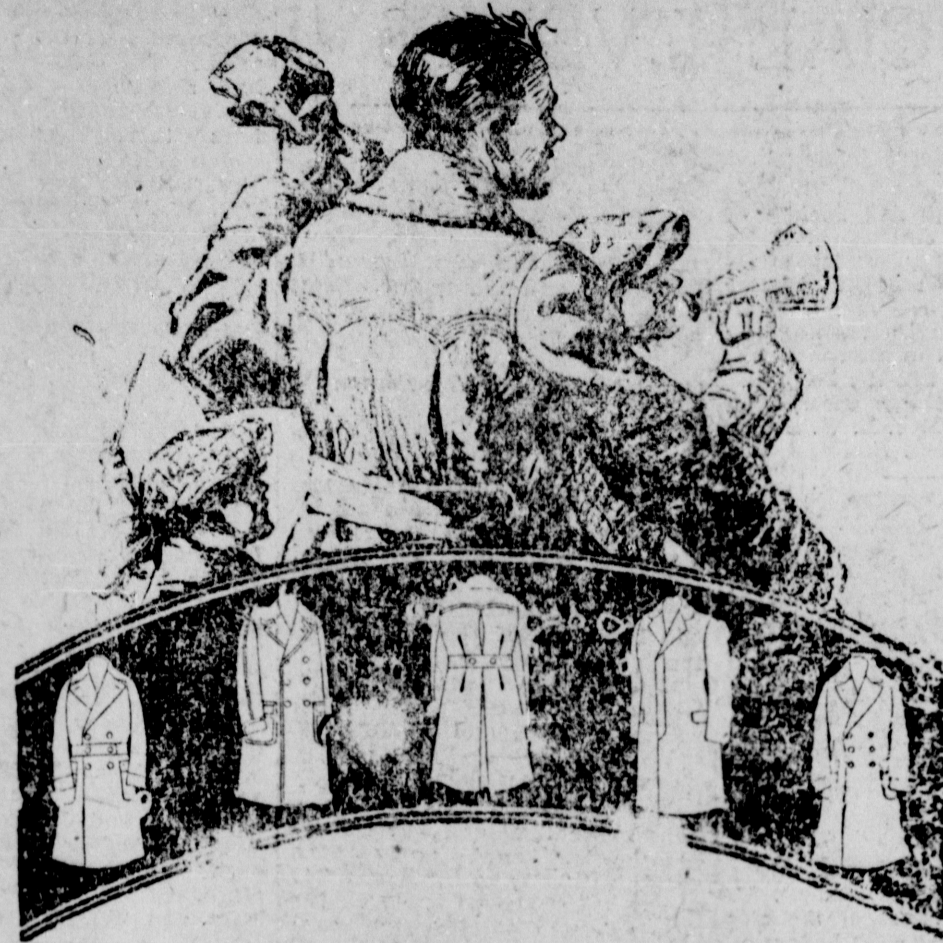

The next meeting will be held with Mrs. Anna Snowden, with Miss Pearl Newell as assistant hostess.

FORMER RESIDENT WEDS IN JERSEYVILLE

Friends of Miss Helen Louise Tendick learned Monday, thru her cousin Mrs. R. W. Megginson, that Oct. 31 she had become the bride of James Clyde Nelder of Alton, Illinois. Mrs. Nelder is the daughter of Mrs. J. W. Tendick of Jerseyville, and the family were former Jacksonville residents. The young people expect to make their home in Godfrey, Ill.

MINISTERS CONFER WITH HIGH MONDAY

Local Clergy Surprised at the Amount of Work They Are Doing—City's Publicity Man Had Busy Day Yesterday.

Jacksonville ministers received some surprises yesterday afternoon when they held a conference with Fred High, who is here to secure additional data for the boosting of the city. As one of their number expressed it, they discovered the real importance of some of the work they are doing and of what lies in the future. Mr. High collected much information on the religious work in the city, church membership statistics, bits of history concerning the various churches, feature stories on projects which others have underway, etc. This matter can be written up for a number of different magazines featuring the various phases of the work mentioned.

It was brought out that probably half the population of the city is included in its churches, tho it should not be forgotten that this leaves more than seven thousand persons yet to be evangelized.

Yesterday morning Mr. High conferred with Chamber of Commerce committees and had interviews with various individuals. In the afternoon the visitor met with the ministers and chautauqua officials. Later he made a trip to the Kiwanis cabin near Arnold, which he intends to feature in connection with a story on Kiwanis activities. New mattresses are soon to be placed in the cabin sixteen of them, each six feet long and thick enough to provide a soft and comfortable bed for campers.

Mr. High has already published in the official Rotary magazine an article entitled, "A City that Redeemed Itself," telling the story of the awakening of Jacksonville. This article appeared in the October issue of the magazine and has by this time been distributed in every part of the world where International Rotary is known. The editor of the magazine told Mr. High that the article was one of the most constructive writings ever printed in the magazine.

The important things brought out at the conference with ministers included emphasis of the meaning which the two state denominational conventions to be held here next year will have for the city. The Presbyterian Synod, with its thousand delegates, and the Christian church convention, with nearly as many will mean as much to Jacksonville, each of them, as the national Republican convention means to Chicago, speaking in proportion to the size of the two cities.

MUCH INTEREST SHOWN AT CHRISTIAN CHURCH

Evangelistic Meetings Now in Progress at Central Christian Church Largely Attended Sunday and Monday Evening.

The Evangelistic meetings at Central Christian church are well attended. Much interest is shown

work of Prof. Hackleman. The motto of the meetings is "others" and this word is found on a banner above the organ. The aim of the meeting is to deepen the spiritual life of the church and make it a greater force for good in the community, also to add to the membership those who profess faith in Jesus Christ. Monday evening the service closed at 8:30 promptly to accommodate those who desired to attend

Madame Colard's recital at the Woman's College. The service will begin this evening promptly at 7:30. The subject of the sermon will be "Saving Souls." The following are excerpts from Dr. Peters' sermon on Monday evening.

One of the difficult passages of scripture for the average Christian is the one that deals with moving a mountain. Jesus said, "If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove." Jesus is not talking about the smallness of things, but its vitality.

Could the Rocky Mountains be carried into the sea? Yes, in time. But how? By faith. But it would have to be an active faith; a faith made perfect by works.

Faith is not a passive acknowledgment that something could happen; but an active conviction that it must happen. If I believe that a mountain can be moved, I must begin today. The greater my faith the harder I will dig. The more I dig, the greater will become my faith. My faith and my work will react upon each other.

The faith that will remove a mountain is a growing faith; a working faith; a hopeful faith.

Faith is a spiritual force. Force is that which produces or tends to produce motion. Faith produces motion; it creates activity. The moment a man believes that moment he begins to act.

Faith is ever new. It quickly sees a new truth. That truth will be active. A new truth will work peacefully in the reconstruction of society by growth, or it will work its way through rev-

olution. What we need today is the dynamic of a living faith not dynamite to blow things to pieces. The faith that removes mountains says, "The only way to improve the future is to disturb the present." But it must be the disturbance of growth.

Grace Church Doings

Next Sunday promises to be a red letter day in the history of Grace Sunday school as the day has been announced as Six Hundred Day. The school is setting to this task with unusual enthusiasm and determination to succeed. Every member and friends of the church and school are earnestly solicited to attend. A special program of unusual interest is being prepared.

In spite of the rain and threatening weather there was an attendance of 301 in Sunday school and the Missionary offering amounted to \$25.83. Mrs. H. B. Lewis told the story of a student volunteer that had been of peculiar interest to the pastor and family upon a former pastorate.

The pastor preached in the morning upon the subject "What the Church Stands For" and in the evening a continuation of the same subject. "What Is Expected of the Church." Both were powerful searching efforts, giving in clear unmistakable terms the relation of the church to society.

The Junior league met as usual at 3:45. The Intermediate and Senior leagues at 6:30. The Senior league enjoyed the leadership of the student class and a large number were in attendance.

The Opportunity Circle will be entertained in the home of Mrs. M. E. Gilbert, 603 South Prairie street, on Monday evening. The assistant hostesses are Mrs. Graham, Mrs. James and Mrs. Dunlap.

The Woman's Foreign Missionary society will meet on Wednesday at 3 p. m. in the church parlors. Hostesses Mrs. Black, Lewis, George W. Stout, Phipps and Williamson. It is dues paying time. All members are requested to come prepared for this feature of the work.

The Intermediate league will present a young Italian, Atile Chiti, of Virden, who is a very talented performer upon the accordion, for a concert upon Saturday evening at the church at 8 o'clock. Tickets 25 cents.

Regular mid-week prayer service Wednesday evening. The members of the church are urged not to overlook this very important service.

The Wednesday Social club will meet next Wednesday afternoon at 2:30 o'clock, with Mrs. Philip Briggs, 237 Pine street.

BLUFFS YOUNG WOMAN COMMITTS SUICIDE

Mrs. Carl Arnold Hanged Herself to Tree Saturday Evening—Remains Taken to Former Home in Pine Bluff, Minn.

Bluffs, Nov. 5.—Another tragedy occurred near Bluffs Saturday evening, when Mrs. Carl Arnold committed suicide by hanging herself to the limbs of a tree 1 1/2 miles southeast of her home. Mr. Arnold, head clerk at the Knippel Cash Store returned home late Saturday evening after his duties were done to find the little son asleep, but the mother gone. He thought nothing of the matter at first but when she did not return he became anxious and unable to locate her in the neighborhood organized searching parties. The neighbors all took up the search and followed tracks which led to the southwest of town a distance of one and a half miles and near the road her lifeless body was found at 1:30 A. M. Sunday, suspended from a limb of a tree with her feet barely off the ground.

Life had been extinct about 3 hours. No cause is known for the rash act.

The body was removed to the Ague Funeral Home and at nine o'clock Monday morning a coroner's inquest was held at the funeral home. Foreman of the jury Henry Hubert; members Wm. Bush, Clark Six, Royal Taylor, George Smith and Nathan Hamilton. The verdict rendered was as follows: "Mrs. Carl Arnold came to her death from suicide by hanging herself to the limb of a tree."

Brief funeral services were held at Ague Funeral Home at 9 o'clock Monday, the Rev. LaVerne Beulay, officiating. Remains were taken to Winchester and left at 11 o'clock a. m. for the former home of the deceased in Pine River, Minn.

Obituary Sketch.

Mrs. Carl Arnold was born at Pine River, Minn., September 25, 1900, and died November 4th, 1923, aged 23 years, 1 month and 9 days. The deceased was the daughter of Mr. and Mrs. Thos. Abbott of Pine River, Minn., and was united in marriage to Carl Arnold August 27, 1918.

She is survived by her husband and one son, Harold, aged 2 1/2 years On September 29, 1920 they came to Bluffs where they have since made their home.

They were comfortably located in a neat little cottage which Mr. Arnold built soon after coming to Bluffs. The grief stricken husband has the sympathy of the entire community.

NOVEMBER ROLL CALL PRAYER MEETINGS

The First Baptist Church will have a series of Roll Call Prayer Meetings beginning on next Wednesday night. The membership roll has been divided into four groups and each group will be expected to be present on the night assigned and respond to the call of their names with verses from the bible. The members whose names begin with any letter from A to F inclusive will respond on next Wednesday night.

The G. H. I. J. K. and L's will have their inning on Nov. 11th. Those who come under the M to R columns are requested to appear at the prayer service with a quotation on Nov. 21st, and on the last Wednesday of the month the remainder of the membership will be heard. This does not preclude members of other groups attending services of the entire month. Members who are absent from the city have been requested to send a quotation by mail.

U. OF I. VISITORS DELAYED BY RAIN

A number of persons from this city who attended the dedication of the Illinois University athletic stadium at Champaign Saturday, were delayed by bad weather and did not return home until Sunday. Others who made the trip Saturday stated that, from Champaign to Decatur, on the return trip there was a solid line of cars as far as the eye could see in each direction along the hard road. The procession traveled about twenty miles an hour. In every village, crowds lined the streets to watch the unusual movement of traffic, and a constable guarded each corner to see that the proper speed was maintained.

One returning visitor at the dedication said he saw results of ten accidents and witnessed mishaps to two cars which turned over. As far as is known no one was hurt in any of these accidents.

Among those who returned

Sunday evening from Champaign were Mr. and Mrs. Merl Smedley and Mr. and Mrs. David Orr.

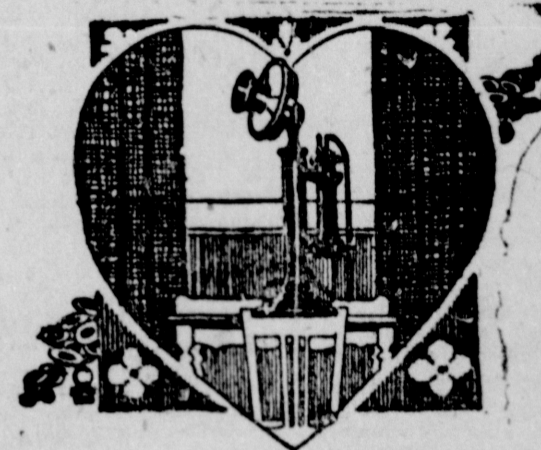

John A. Carlson of Murrayville, was in the city on business yesterday.

The Sensational Drama of Love and Intrigue

Against a magnificent background of Europe's gilded society life--in the midst of revels and revolutions--is staged the great romance of a pleasure-loving Prince of Russia and the most famous beauty of the entire Continent.

Vicente Blasco Ibanez, author of "The Four Horsemen" and "Blood and Sand" says of his latest brilliant novel to reach the screen:

"I am truly enraptured at the magnificence and artistic way in which you have interpreted my romance."

The orgies of the Russian courtesans, the tragedies of the gaming tables at Monte Carlo, the hitherto hidden photographic records of the battle-fields are pictured here in absorbing detail. Brought to the screen at a cost of more than a million dollars, with a cast of famous actors and actresses, photographed in Monte Carlo, Nice and Paris this great production is acclaimed by critics as a masterpiece of motion pictures.

ILLINI CAME OUT OF CHICAGO GAME IN GOOD SHAPE

Coach Zuppke Will Have to Keep Squad from a Slump

CHICAGO, Nov. 5.—Illinois, Wisconsin, Michigan and Minnesota rested uneasily in the first place berth of the Big Ten conference today. All are undefeated but with greater tests ahead.

By its 7-0 defeat of Chicago Saturday, Illinois eliminated the Maroons and is holding to its place in the conference with most assurance. The Illini still must play Wisconsin and Ohio.

Michigan showed its strength when it defeated Iowa 9-3, Saturday. The Wolverines were forced desperately to hold the point lead they got in the first quarter. With Wisconsin and Minnesota games ahead, Michigan faces two hard contests.

Minnesota added the fourth consecutive defeat to Northwestern's record by 34 to 14. The Gophers showed they possess a strong scoring machine that may upset Michigan in the final game, November 24.

Somewhat in the background due to a resting period, Wisconsin lies ready to live up to its reputation by up-setting Illinois in the feature game of this week. The Badgers are reported to have caused more trouble in past years for the Illini than any other eleven. They are to take a team of unknown strength to Urbana on Saturday.

Saturday, Illinois removed Chicago from the race before 61,000 spectators who witnessed the first game played in the new Illinois stadium. Playing in the mud the two teams fought desperately thru the first half before Grange brought the first score for the Illini in the third period.

On 17 plays in which he carried the ball, Grange made over 170 yards. His work was supported by a strong line. Chicago had one chance to score in the first period when they had the ball within the Illinois 15 yard line, but lost on downs. The game was won by a straight march down the field by Illinois from Chicago's 37 yard line.

In the other principal game, Michigan opened a first period offense that brought nine points before Iowa stopped the rush. A break in the game gave the Wolverines their touchdown when Blott fell on a partially blocked punt across the goal line. Kipke's 40 yard drop kick made the other three points. Fletcher gave Iowa its score from a drop kick in the second quarter.

Purdue managed to score on Notre Dame in a non-conference game, 40 to 7. Ohio State easily defeated Denison, 42 to 0, and Indiana won from Hanover 32 to 0.

Chicago plays Indiana this Saturday.

HOPPE WON GREAT MATCH FROM SCHAEFER

NEW YORK, Nov. 5.—(A. P.) William F. Hoppe, world's champion 18-2 balking billiardist, defeated Jacob Schaefer, 1, tonight in one of the greatest matches in the history of the game, 500 points to 447 and will meet Welker Cochran of Los Angeles in Chicago at a date yet to be announced in a play-off for the title for which they now are tied.

Urbana, Ill., Nov. 5.—It may have been a comedy for some folks that football game Saturday when Illinois defeated Chicago 7 to 0, in the new Illinois Memorial Stadium, but it was a tragedy for others. For rain made a sea of mud round the stadium and no statistics are available as to how many girls lost their rubbers, not to mention shoes in the oozy mess.

Urbana and Champaign provided for their guests—61,000 saw the game—but they could not stop the rain. And in the sticky mud, meant one lost rubber, a second meant the loss of the other. Buttons burst off shoes and there was no chance to retrieve anything.

Early visitors rushed the stores until umbrellas were sold out, some one started another rush for oil cloth which at 40 cents a yard soon left the shelves bare. Shell paper followed. Even blankets disappeared from fraternity houses and draped the forms of the fans. Wet seats in the stadium started nimble witted youths to vending newspapers as cushions.

But the 61,000 saw the game and whether they lost overshoes, got mud in their shoes or went hungry for hours when the rush overwhelmed lunch stands and restaurants did not seem to interfere with the relish of the game.

WILL MEET TODAY
A called meeting of the Service Star Legion will be held this afternoon at 3 o'clock at the home of Mrs. Mary Turner Carriel, 1152 West College avenue. All members are urged to be present.

Mrs. and Mrs. W. J. Wood of Murrayville were visitors in the city Sunday.

ILLINOIS MEETS EUREKA SATURDAY
This will be the Annual Homecoming Game and a Large Crowd is Expected and Har-Moon's Men Will Fight Hard to Down U. Visitors.

Homecoming! Next Saturday the Illinois College team will meet Eureka College in the annual homecoming game. This season Illinois College will repay the compliment paid to the Blue and White at Eureka last fall when the Illinois-Eureka game was the homecoming attraction for the Eureka folks. The weather man was out of sorts last fall, however for he began spilling rain early in the day and kept at it until darkness fell. One end of the gridiron containing the scalped baseball diamond was a guillotine. The other end—the outfield—with heavy turf, was a real lake with surplus of water. Despite these very unfavorable conditions Illinois pushed over two touchdowns and won 12 to 0.

In 1921 the teams met on Illinois Field when the going was very slippery and muddy. Whittier, the powerful playing fullback of the Eureka team was topped as he had never been halted before that season. The Illinois line was simply impregnable that afternoon. Again last year Whittier's fierce plunging was stopped without a score. This fall Whittier, who hails from Girard, is shifted to tackle and Rains, an Ashland boy, is reported to be even more difficult to stop than was the mighty Whittier.

Eureka has claimed that the mud beat them the last two years. Present indications are that a dry field will greet the teams Saturday. Then there will probably be no alibi for anyone.

SATIN PAJAMAS
Popular pajama outfits have trousers of black satin-backed crepe and jackets of colorful satin embroidered in gold.

GANGWAY!

HARRY WILSON.

They gave him the ball and he ran 95 yards for a touchdown. They gave him the ball again and he sprinted 70 yards for another touchdown.

They gave him the ball a third time and he hiked 40 yards for a touchdown.

They in Penn State. He is Harry Wilson, non-stop special of football.

Against the Navy recently this great Pennsylvania halfback made three thrilling long runs for touchdowns. The three touchdowns were all the Penn State made against the Middles.

These were plenty.

Jinx Camps on Trail of O'Hearn, Yale Star

CHARLEY O'HEARN

(By NEA Services)
NEW HAVEN, Conn.—Charley O'Hearn, rated one of the greatest athletes that Yale has ever produced, is out of football for the rest of the season. O'Hearn suffered a broken leg in the game with Bucknell.

A jinx has pursued O'Hearn during his career at Yale. He is a senior. In football he was injured in his sophomore year at the opening of the season and only returned to the lineup in time to play against Princeton and Harvard the final games of the season. His sensational run in the Princeton game enabled Yale to win.

Last year he was again injured early in the season. He managed to get into the final game against Harvard but was in poor condition.

Big things were expected of him in his senior year if he could throw off the hoodoo that has relentlessly pursued him. After showing a brilliant game in the early starts, he suffered a broken leg in the Bucknell game that ends his football career at Yale.

O'Hearn is captain of the hockey and baseball teams at Yale and is hopeful that the injured leg will mend in time for him to lead these two teams.

IOWA STARTS WORK FOR MINNESOTA

IOWA CITY, Iowa, Nov. 5.—Coach Howard H. Jones started a two weeks training period preparing for the Minnesota University football eleven, by giving a light workout for the Hawkeye eleven today and excused most of the regulars from the practice.

The gates were opened tonight for the first time since last week but spectators only saw the seconds take a short workout and quit, while regulars watched from the sidelines or were not even at the field.

Paul Krasuska, 215 pound tackle whose leg was broken early in the season was out tonight in a uniform and will probably be able to start against the Gophers at Minneapolis on November 17. He still limps noticeably but says that the effects of the injury are rapidly disappearing.

There were no serious injuries in the Michigan game but the members of the squad need a rest Coach Jones believes.

MEETING POSTPONED

The regular meeting of the board of the Old Peoples Home has been postponed until Saturday evening at seven o'clock on account of the meetings which are being held at the Central Christian church.

JACK RYAN'S BADGERS AT ILLINOIS SATURDAY

URBANA, Ill.—Jack Ryan, the new football coach at Wisconsin, will bring his undefeated Badgers to the Illinois stadium next Saturday. This will be the last conference game on the Illini home schedule. The Badgers are making a determined bid for the Western Conference championship. They have finished the first half of this schedule without defeat. Victories have been gained over Coe, Michigan Aggies, and Indiana, and a tie game played with Minnesota.

That Wisconsin has a strong attack is indicated by the crushing victory over Indiana, when the Hoosiers were snowed under by a score of 52 to 0. The tie game with Minnesota at which neither team was able to score was a battle of defenses. Martineau, Minnesota captain, who has terrorized the conference for three years, was unable to get loose for any appreciable gains—a convincing testimonial that the Badger defense is equally as strong as its attack.

Ryan is a newcomer in Big Ten circles but his name is not unknown in western football. He is an Easterner by birth and a product of Dartmouth college where he played, quarter, half, and end in 1908, 1909 and 1910. He captained the team in 1910. This period was one of the most successful in Dartmouth football history. From 1911 to 1913 Ryan was coach of all athletics at St. Thomas college, St. Paul, and did not lose a football game in three years. In 1914 and 1915 he acted as scout and official in the Western Conference. In 1916 he went to Marquette as advisory coach, and from 1917 to 1921 was head coach there. His stay at Marquette was one of unparalleled success. It is particularly interesting to note that in 1919 the Marquette team was defeated 10 to 0 by Wisconsin, which was the first football game of his coaching career that Ryan had ever lost.

The Wisconsin team is composed mostly of veterans. With Tait at full, Harris and Holmes at right and left half respectively, and Eagleburger calling the signals they present a formidable quartet of backs who have had one or more years of conference competition. There is a possibility that Eagleburger may be replaced by Schneider, a sophomore, who played thruout the Minnesota game and may get the assignment against Illinois. The line, too, presents only two new faces, Bieberstein and Nichols at guards. Experienced players will care for the other line positions with Irish and Nelson at ends, Captain Marty Below and Gerber at tackles, and Tekemeyer at center.

Wisconsin will be in splendid shape for the Illinois fray. Not a substitution was made in the Minnesota game and following that they had an open date Nov. 3 when Illinois was taking on Chicago. Although the Chicago game overshadowed the Badger fracas it is estimated by Frank Beach, ticket manager, that a crowd of 30,000 will be on hand. Saturday is Dads, Kiwanis and Rotary Day. A special program includes a review of the student brigade of 3,000.

WELKER COCHRAN WON FROM EDUARD HOREMANS

NEW YORK, Nov. 5. (A. TEX RICKARD AFTER FIGHT FOR RENAULT

NEW YORK, Nov. 5.—Tex Rickard today began negotiations to match Jack Renault, Canadian heavyweight, who knocked out Floyd Johnson last Friday night with either Tom Gibbons, St. Paul light heavyweight or Harry Wills, negro title contender.

Rickard has undertaken the negotiations interests of a New York newspaper's Christmas fund. If arranged the promoter plans to stage the match around holiday time, possibly December 21 at Madison Square Garden.

Paddy Mullins, manager of Wills, has had some differences with Rickard and announced he would not sign for the match with the garden promoter but it is believed he might alter his attitude as the bout would be a charity affair. Should efforts to sign the negro be unavailing, however, Gibbons probably will be selected. The St. Paul battler who went the limit with Jack Dempsey last July 4 has been asked to name his terms.

Renault's manager, Leo Flynn has discussed the proposal with Rickard and although he has not definitely accepted no difficulty is expected in bringing about an agreement so far as the Canadian is concerned.

Market Report

By The
 Associated
 Press

USUAL MARKET LEADERS SHOWED LITTLE CHANGE

FINANCIAL
 Total stock sales 792,000
 shares.
 Twenty industrials averaged
 89.36; net loss .27.
 High 1923: 105.38; low
 85.76.
 Twenty railroads averaged
 82.75; net gain .10.
 High 1923: 90.51; low 79.53
 Total bond sales (par value)
 \$10,860,000.

NEW YORK STOCKS
 NEW YORK, Nov. 5.—Stock
 prices held relatively firm in to-
 day's trading which fell somewhat
 short of the million shares a day
 set in the closing days of last
 week. The usual market leaders
 showed comparatively little
 change on the day, but new highs
 on the current upward movement
 were reached by Studebaker, Du-
 Pont, Corn Products, Mack Truck
 and a number of other active is-
 sues.

Opening prices were somewhat
 irregular because the market was
 called upon to absorb a fairly
 large volume of profit-taking
 shorts also renewed their offer-
 ings of the recent advance warrant-
 ed at least a technical reaction,
 but good support was forthcoming
 throughout the session.

Several favorable earnings re-
 ports were published during the
 day.

Heavy buying of Dupont touch-
 ed 134½ and closed at 133½ for a
 net gain of 2½, was in further re-
 sult of the benefits expected to
 accrue from the sale of a large
 block of its general motor stock
 to the newly organized managers
 securities corporation.

Prompt over subscription of
 the \$100,000 American T. & L.
 phone bond issue was construed
 as an indication of a favorable
 public attitude toward the invest-
 ment market. Public utilities
 were helped by the rapid absorp-
 tion of the telephone issue. Rails
 showed more consistent strength
 than the industrials; Lackawanna
 jumping five points, but losing
 part of its gain later. Northern
 Pacific and Pittsburgh and West
 Virginia also were strong.

Foreign exchanges showed
 modern improvement with the ex-
 ception of the German mark
 which dropped to a new low at
 20 cents a trillion.

Demand sterling held around
 \$4.46 and French francs around
 \$7.26. The time money and com-
 mercial paper markets were quiet
 with no change in rates.

The Liberty bond market dis-
 played a firm tone, most of the ac-
 tive U. S. government bonds re-
 gistering moderate gains on the
 day.

SHARP DECLINE IN PRICE OF WHEAT

CHICAGO, Nov. 5.—Wheat un-
 derwent a sharp decline in price
 today owing largely to the fact
 that a report to President Cool-
 idge from officials of the war
 finance corporation omitted to
 mention increasing the wheat
 tariff or to advocate any other
 immediate help toward raising
 values. The market closed nerv-
 ous to 1½ to 1½ net lower with
 December 1.06½ to 1.08½ to 1 and
 May 1.11½ to 1.11½ to 1. Corn
 finished unchanged to 1 to 1½
 higher, oats at a shade down to 1
 to 1½ up and provisions varying
 from 2c off to 5 to 7c gain.

Wheat started downward in
 price as soon as trading began
 and although some slight rallies were
 witnessed the close was at the
 day's bottom figures. In addition
 to selling out on the part of hold-
 ers who had been relying on ex-
 pected government aid the bull
 side of the market was handi-
 capped by Washington advices that
 Russia agriculture was recover-
 ing. Uncertainty over the out-
 come of the proposed German
 reparations conference was also
 a bearish factor despite news that
 Belgium and Italy were no longer

**ITCHY PIMPLES
DISFIGURED FACE**
Large, Red and Festered.
Cuticura Healed.

"My trouble began with pimples
on my face. I picked them and they
scattered worse than ever. The pim-
ples were large, red and festered, and
itched. I was always scratching
them and they left red blotches all
over my face which was very much
disfigured.

"The trouble lasted about three
years. I tried several remedies but
none of them had any effect. I began
using Cuticura Soap and Ointment
and after using three cakes of Cuti-
cura Soap and two boxes of Cuti-
cura Ointment I was completely healed."

**SOAKS RIGHT IN
AND LIMBERS UP
STIFF JOINTS**

Pharmacists Call it "Joint Ease"
Because It's for Swollen, Sore,
Painful, Creaky Joints Only

It took a good many years to
get together a combination of
pain subduing and swelling re-
ducing agents declared to be the
one remedy that almost instan-
taneously penetrates through the skin,
and flesh and starts right in to
make swollen, inflamed, creaky,
pain-racked joints as good as
new.

They call this new and wonder-
ful preparation "Joint Ease" be-
cause the medical man who turned
the trick worked for years to
perfect some low-priced remedy
that would really benefit the mil-
lions of people who have one or
more joints that need helpful at-
tention.

So "Joint Ease" is prepared
only for people who have a swell-
ing, painful, creaky, distorted or
stiff joint, whether it be in knee,
elbow, shoulder, ankle, neck or
finger and whether it is caused by
rheumatism or something else.

Of course, it can't help but
quickly put an end to such super-
ficial ailments as lumbago, neu-
ralgia, neuritis, aching muscles,
stitch in the side, crick in the
neck, or sore feet because of its
penetrating action, but what it is
really recommended for is joint
ailments of any nature whatever.

Ask for a tube of "Joint Ease".
You can use it several times in
one evening for quick results, be-
cause it goes right through the
skin with only a few seconds' rub-
bing. It surely is a swift pen-
etrator and when it gets under
the skin, it starts right in to
clean up all joint trouble.

All druggists dispense it daily
for about 60 cents a tube. (adv.)

Mrs. F. B. Madden returned to
Shelbyville Monday, after a visit
with friends in Jacksonville.

**MISSIONARY SOCIETY MET
AT OLD PEOPLES HOME**

Members of Woman's Mission-
ary society of Central Christian
church were delightfully enter-
tained recently at the Old Peoples
Home. The meeting was presided
over by the president, Mrs. Aileen
Rice. Three new members were
added to the society. Mrs. Archer
of the home opened the meeting
with Bible study and prayer.
Study topics of India were given
by Mrs. Elizabeth Lister, Mrs. Mag-
gie Kitzer and Mrs. W. P. Clark-
son. Miss Mae Cornett gave a
splendid account of the meeting
of the state convention held at
Gibson City. The meeting closed
with prayer and a large offering
was taken. A social meeting then
followed during which time re-
freshments were served. Miss
Eloise Graff is matron of the
home and is doing a splendid
work.

**THURSDAY LEAF RAKING
DAY AT ILLINOIS COLLEGE**

Thursday of this week has been
set as the date for the annual
"Leaf Raking" at Illinois college.
This is a day to which all the
students—especially the Freshman
—look forward during the entire
first part of the college year.

In the afternoon the Freshman
boys under the direction of the
Senior boys, will rake the leaves
on the college campus, and all
the girls of the college under the
direction of the Senior girls, will
make sandwiches and prepare the
lunch which is to be eaten on the
campus at 6 o'clock while the
bon-fires showing the results of
the labor of the faithful "Fresh-
ies" are burning.

After the lunch the students
will all adjourn to the gymnasium,
where there will be a social gather-
ing and a "get-together" meet-
ing.

CENTENARY CERTAINIES

The every-member canvass
was made last Sunday, with very
fine results. The canvass was
not completed, but there is very
little left to do, and the pledges
for the finances are very
gratifying.

Church Night is growing in
popularity and interest. The
attendance is increasing rapidly
and while this is as it should
be, there is a little embarrass-
ment caused when those coming
for supper fail to advise the
committee in advance. The
Queen Esther Circle is serving
the supper this month, and re-
servations should be made by
Tuesday evening, either with
Mrs. Claude Vail, 607 North
Diamond Street, or with the
pastor of the church. Reserva-
tion may be made in person, by
mail or by telephone. But in-
order to make sure of being
served, all prospective guests
must be careful to make reserva-
tions.

The Epworth League is also
growing in interest and attend-
ance. A novel feature of Sun-
day night's services was the fact
that the attendance at the young
people's meeting was larger than
at the evening service.

The closing moments of the
Sunday morning service were
devoted to the consecration of
the canvassers for the every-
member canvass. As their names
were called, about thirty men
came forward to the altar.
Standing, they were briefly in-
structed by the pastor in the na-
ture of the work they were to
do, and then all knelt while they
were formally set apart by pray-
er for their afternoon's work.

The service was impressive in
the highest degree, and lifted
the financial work of the church
to the level of real spiritual
service where it should always
be classed.

**RED CROSS REPORT
MADE FOR MONTH**

The executive secretary's re-
port, presented at the regular
monthly meeting of the Morgan
county chapter of the American
Red Cross held on Saturday eve-
ning, showed during the month of
October: 112 letters written in
behalf of clients; 65 calls of client
to the Red Cross office; 146
cases handled, 13 of which were
county cases; and \$43.79 expend-
ed in loans, many ex-service men's
claims being disallowed at this
time.

Mrs. Maude Moore spent the
week end visiting friends in Win-
chester.

QUAKER
OATS**

QUICK QUAKER
cooks in 3 to 5 minutes

Creamy oats, hot and enticing, are now
the quickest breakfast dish!

Ask your grocer for QUICK QUAKER.
Cooks in ½ the time of coffee, scarcely
longer than plain toast.

Same plump oats as regular Quaker
Oats, the kind you've always known. Cut
before flaking, rolled very thin and partly
cooked. And these small flakes cook
faster—that's the only difference.

All the rich Quaker flavor. All the good
of hot breakfasts quick! Today, try Quick
Quaker.

2 KINDS OF QUAKER OATS

Quick Quaker and Regular Quaker Oats.
Get whichever you prefer.

**MADE OF PURE
FARM PRODUCTS**

ONLY the finest quality and purest farm
products compose Jelke GOOD LUCK
Margarine. Full-cream milk fresh from the
farms daily, is perfectly blended with finest
Government inspected beef and neutral fats
producing a product of purity and perfect
nutrition.

Jelke GOOD LUCK Margarine is unques-
tionably the finest spread for bread—and
unequaled for shortening.

You will enjoy the rich, delicious flavor and
be pleased with the low price made possible
by modern methods and quantity production.
